- Before the AGM, from 9 am to 10 am (French time), from the Croisé Laroche tram station to the Cité des Echanges
- At the end of the meeting around 12 pm and 12:30 pm (French time) from the Cité des Echanges to the Croisé Laroche tram station

Some Eurotunnel Group staff attendants (carrying a Eurotunnel Group logo) will be able to give information on directions to shareholders (if needed): they will be available at the Information Point in hall 2 of the Lille-Europe train station and at the Information Point located at the end of the platforms in the Lille-Flandres train station as well as at the Croisé Laroche tram station in Marcq-en-Baroeul.

By Tram the journey only takes 11 minutes and there is a tram every 4 or 5 minutes.
• From Lille-Europe train station: arrival at 9:30 a.m. of the Eurostar from London and at 8:45 a.m. of the TGVs from Paris and from Calais (French time)

Between the hall 2 and hall 3, follow the Tram signage and take the side exit using the escalators to Place François Mitterrand/Centre ville. At the bottom of the escalators, turn right and follow the Tram signage. Then use the lifts or the stairs leading to the tram platforms. At the entrance of the platform, tickets can be purchased from the automatic ticket machines (€1.80 to go to the AGM and €1.60 for the return). Take either the T line towards Tourcoing Centre or the R line towards Roubaix Eurotéléport and get off the tram at the Croisé Laroche station. A staff attendant for Eurotunnel Group will be there to greet shareholders and lead them to the minibus service.
